Finance & Technology Section Monthly Roundtable Meeting

This section is recommended for individuals responsible for Finance or Technology in their firm or for those working in these functional areas.

Because we share similar concerns, this forum allows us to interact with each other and help us determine future strategies for our firms. The agenda is open for attendees who have items they would like to discuss in an informal setting.

Please join us and bring your questions, suggestions and/or concerns. The Roundtable Meeting is held the 4th Thursday of each month during lunch.
